(Emergency Management and Medical items)

- Flu Shots at the Clinic. The Tribal Health Clinic has also received their seasonal flu shot vaccines and is encouraging tribal members to contact the clinic for an appointment to receive their flu shot.
- Optical Service. Beginning October 1, 2009, GTB will only service members of other Federally Recognized tribes that live in their service area (Antrim, Benzie, Manistee, Charlevoix, Grand Traverse, and Leelanau counties). Non GTB members will no longer have discount privileges and they will be charged the full amount. This is for optical services only. No word on anything else (medical, dental). According to Gina Wright (CHS/EHAP Supervisor) these should still be less costly than regular retail/optical stores.
- E-Team Training Scheduled. The TEPC has arranged to hold e-Team training at the Tribe's Justice Center in late October for Emergency Response personnel in Manistee. The e-Team is the Michigan State Police incident tracking system for use by responders involved in response and recovery. A number of the tribal TEPC members are trained with the e-Team.
- Community Health wins Award. The National Indian Health Board has awarded LRBOI Tribal Community Health Nursing with the National Impact award for outstanding service to their communities. See the full story and a picture of the award in the next Currents.

"I remember Dawson (No Horse) said, 'Once you say your prayers, don't worry about them. If you worry about them, they'll just fade away.'"

--Chuck Ross, LAKOTA

Today I need to remember You are everywhere. I need to remember how much You love me. I need to know, Grandfathers, that You are always listening. Today I need to know how much You care. Today I will remember the advice of the Elders. "Say your prayers and then don't worry - know that the Great One has heard you." It's so much easier to do this, Grandfather, when I feel connected to You.

October is Domestic Violence Awareness Month. The Family Services Department has planned several activities throughout the month. We invite and encourage you to join us to help to break the silence and break the cycle of domestic violence.

Purple has come to be the color which is symbolic of domestic violence. Perhaps originally because of the coloring of bruises.

Please wear and display purple during October. When friends or strangers ask, tell them why you are displaying purple. Let your community know that you demand an end to continued passive support of violence.

October 1st-Tribal Family Gathering-Muskegon office-5-7-pm. Join us for a family meal and an opportunity to win one of 2 door prizes. Muskegon Take Back the Night Walk. 7-9pm. A collaborative effort with Every Woman's Place DV shelter. Gathering at the LRBOI office we will begin with general information about domestic violence along with local statistics regarding prevalence followed by a presentation from DV survivors. Each participant will be provided with a purple glow stick for the walk. Upon returning to the office snacks will be provided.

October 2nd-Small purple ribbons will be distributed in Tribal Government employee paychecks

October 14th-Tribal Family Gathering Manistee Community Center-5-7pm. For those of you who can't make it to Muskegon on October 1st. Manistee Take Back the Night Walk 7:30-9:30-A collaborative effort with CHOICES. Gathering at Port City Grille.

October 15th-Paint the Tribe Purple-everyone is encouraged to wear as much purple as possible and decorate your space w/ purple. There will be a friendly competition between government departments. There will be a surprise judge coming to visit each department.
